

SANTA FE COLLEGE

Paul Broadie II, Ph.D.

Congratulations on your admission to Santa Fe College. I want to start by welcoming you into the Santa Fe family. We are dedicated to your success, and I encourage you to take advantage of the full college experience SF offers.

Students are at the center of everything we do at SF. We have faculty dedicated to your success, small class sizes to provide more individual attention, additional support from our academic coaches and tutors in the Learning Commons, and a robust Student Life to keep you engaged with clubs and activities. There is something for everyone at SF.

An SF education has the power to transform your life. Whether you are looking to transfer to a four-year institution after earning your A.A. degree or enter the workforce with one of our A.S. degrees, or advancing through our bachelor's degree programs, a college education is a passport to life-long learning.

In addition to our rigorous academic programs, we understand the need to provide students with a complete array of support services. I want you to fully embrace the college experience. Get involved in student clubs and organizations, run for office in Student Government, enjoy your fellow students' talent at performances in our Fine Arts Hall, and cheer on our Santa Fe Saints athletics teams. I encourage you to find your passion, to dream big and achieve, and fully immerse yourself in our SF culture.

This is a wonderful time to be at SF. We are adding new degree programs, expanding classes at our locations throughout Alachua and Bradford counties, creating more workforce development opportunities, enhancing our training programs, and building new facilities to serve you.

Now that you have been accepted into Santa Fe College, please reach out to the Office for Admissions for an Admissions Advisor who can guide you through the enrollment process and set you on a course for success. They can be reached at sfcollege.edu/admissions/contact.

You can also access information through your [eSantaFe](https://sfcollege.edu/fa/ways-to-pay/scholarships/) account, and explore additional scholarship possibilities through sfcollege.edu/fa/ways-to-pay/scholarships/.

Congratulations again, and welcome to the Santa Fe Family.

Sincerely,

Paul Broadie II, Ph.D.
President
